April 3, 1973

(Start Belt #1)

PRESIDENT: Excellent, do we have notice of Committee Hearings or Reports?

CLERK: Mr. President your enrolling clerk reports that on this day at 8:55 presented to the Governor for his approval the following legislative bills LB 360, signed Senator, or Barbara Jackson Enrolling Clerk. Committee Reports (read).

PRESIDENT: While the legislature is in session and capable of transacting business I am signing LB 206, also LB 336, 336A, also 380.

CLERK: Mr. President your Committee on Miscellaneous Subjects to whom is referred LB 212 instructs me to report the same to legislature with the recommendation that it be advanced to general file as amended, signed Senator Waldron, Chairman. That's all Mr. President.

PRESIDENT: We have just LB 235 bracketed for today on final reading, so if we can entreaty the Senators to take their seats and clear the floor, as is provided by the rules, we will take up the final reading. Stand by just a minute. (Machine shut off) get to the final reading of LB 235, once again while we are clearing the floor and getting the Senators in their seats and putting things in a little bit of order here, seated in the south balcony this morning we have thirteen Government Seniors from Rising City, Nebraska, they are from Senator Schmit's district, their instructor is Larry Ahler, Mrs. Connie Bowers is one of the sponsors and Mrs. Melba Glock is also up there sponsoring the thirteen this morning. We are delighted to have you today as visitors to the Nebraska Unicameral Chamber. We hope you enjoy your visit to the Capitol City, to one of the ten architectural achievements of the world, and to the only unicameral system in the United States. Once again are we ready for final reading.

CLERK: Motion on the desk Mr. President.

PRESIDENT: Read the motion.

CLERK: I move to return LB 235 to select file for specific amendment to strike the enacting clause, signed Senator Carpenter.

PRESIDENT: The Chair recognizes Senator Carpenter.

SENATOR CARPENTER: Now Mr. President, before the Chairman of the budget committee is out of the room, I'd like to ask him a couple of questions? Anyway, getting back to the bill, it was as I recall, we did not discuss very fully the application of the cross between the state and the federal government and the funding of LB 235. Now I only make this motion this morning with the hope we desire to discuss it at least a nominal amount more, and when that period of time is over then I'll ask unanimous consent in order to withdraw the motion and let the bill be read on final reading, so I'd like to ask Senator Marvel a question please?

PRESIDENT: Senator Marvel will you yield to a question from Senator Carpenter?

SENATOR CARPENTER: On LB 235, which is Senator Schmit's bill, on final reading, can you off hand give this body the estimated cost, total wise and what the state and what the federal government would put up, and number two your opinion and I presume it's only an opinion, if we raise these amounts at this time to what extent do we assume an unknown obligation
